

Woofstock Event Sponsorship Opportunity:

The Comanche County Pet Resource Foundation is a 501c(3) organization that has a mission of keeping pets at home and out of shelters. Our primary focus is to assist families and pets within Comanche County who do not have access to pet care services. We provide resources such as pet food pantries, veterinary care funding assistance, homeless pet population care and developing homeless shelter establishments with pet friendly housing. The Comanche County Pet Resource Foundation operates exclusively on community donations and volunteer support.

The Foundation will be organizing a fundraising event called Woofstock that will be presented on June 14, 2025. This event is the largest pet-friendly event ever offered in Comanche County.

Sponsorship Opportunities Include:

- \$2000 Event Sponsor. Banner at main stage with business logo. Name/logo on all marketing materials. Logo on T shirt.
